

Kerry Plunkett Senior Trainer WHS

BA Science (Health Education - OHS)
Diploma of Adult Education
Certificate IV Training and Assessment
Certificate in Hearing and Conservation
Diploma Applied Science (Nurse Education)
Fellow, Safety Institute of Australia

Kerry joined SRC Solutions in 2012, bringing with her extensive experience in education and training in Work Health and Safety. Before joining SRC Solutions Kerry was the Education Manager in Health Sciences at the Canberra Institute of Technology.

She was in charge of the development and delivery of a wide range of health courses, and was responsible for the development and delivery of a wide range of health courses. Kerry was also involved in the organisation and delivery of Certificate IV Occupational Health and WHS training both internally and for a number of government departments.

Prior to the introduction of the WHS training package, Kerry was responsible for the development and delivery of the Certificate III and IV, as well as the Diploma of Occupational Health. As Education Manager, Kerry gained broad experience in negotiating with both government departments and Industry for the delivery of tailor made training in WHS and other health-related courses.

Kerry has been a member of the ACT Occupational Health and Safety (OHS) Council. As a Panel member she oversaw the OHS course for Health and Safety Representatives. As a Fellow of the Safety Institute of Australia she has also been a member of the National Board and was active in the organisation of local and national conferences.

Kerry's strength is educating and training, her approach to the delivery of a range of WHS services has ensured the provision of an excellent service for our clients.
