

Sandra Fisher Manager WHS and Training

Contract Manager Mental Health First Aid Instructor

Graduate Diploma in OHS (Newcastle)
BA Science (Psychology)
Diploma of Management

Sandra joined SRC Solutions at its inception in early 1997 and has been an integral part of the business. Sandra has strong management experience in operational and strategic Work Health and Safety (WHS) and return to work coordination, human resource management, business management and development, and this is complemented by her extensive tertiary qualifications and postgraduate studies.

To maintain strong links with the safety community, Sandra is a member of the Safety Institute of Australia, and the ACT Branch Executive and Management Committee.

Sandra was General Manager at SRC Solutions between 2006 until 2010, and was a key figure in establishing the return to work arm of the business. In her current role as Manager of our WHS and Training Team, Sandra brings a high level of professionalism and integrity which is reflected in her interactions with a vast array of clients.

Her in-depth understanding of the business environment and the importance work health and safety plays in productivity has helped her to mentor our team to ensure effective delivery of our services in line with the client's requirements. Sandra has experience in planning, developing and delivering tailored WHS training sessions which range from short one hour sessions to the five (5) day accredited programs including Health and Safety Representative Training. She is also accredited as a Mental Health First Aid Instructor.
